

GetOverX Shield – End-User License Agreement (EULA)

1. Important – Please Read Carefully

This End-User License Agreement (“Agreement”) is a legal contract between you (either an individual or an entity) and GetOverX Shield (“Licensor”) for the use of the GetOverX Shield software (“Software”).

By installing, copying, or otherwise using this Software, you agree to be legally bound by the terms of this Agreement. If you do not agree to the terms, do not install or use the Software.

2. Grant of License

The Licensor grants you a limited, non-exclusive, non-transferable, and revocable license to use the Software solely for lawful personal or commercial purposes on devices you own or control.

You may not sublicense, rent, lease, or distribute the Software to third parties without prior written consent.

3. Disclaimer of Warranties

The Software is provided “AS IS” and “AS AVAILABLE,” without warranties of any kind, either express or implied, including but not limited to warranties of merchantability, fitness for a particular purpose, and non-infringement.

No guarantees are made regarding the Software’s performance, accuracy, reliability, or fitness for specific purposes. You assume all risks associated with the use of the Software, including but not limited to data loss, system failure, or security vulnerabilities.

4. Limitation of Liability

To the maximum extent permitted by law, the Licensor and its affiliates shall not be liable for any indirect, incidental, special, or consequential damages (including lost profits, business interruption, or data loss) arising out of the use or inability to use the Software, even if they have been advised of the possibility of such damages.

The Licensor’s total liability, if any, shall not exceed the amount paid for the Software, if any.

5. Prohibited Use

You agree not to use the Software for any illegal purpose or in violation of any law or third-party rights.

The Licensor disclaims any responsibility for consequences resulting from malicious or unauthorized use of the Software.

6. Third-Party Components and System Dependencies

The Licensor shall not be responsible for:

- Failures originating from third-party libraries.
 - Issues arising from open-source components used under their respective licenses.
 - Incompatibilities or failures caused by the user's operating system, system updates, or interference from security software.
-

7. Antivirus Engine

The Software integrates the open-source antivirus engine ClamAV®, developed by the ClamAV project community (<https://www.clamav.net/>) and used in accordance with its respective license.

This engine has not been modified by GetOverX Shield; original binaries and configuration files are used without alteration.

While the Licensor does not guarantee performance or offer direct technical support for ClamAV, we do rely on its trusted reputation as a community-driven tool.

8. Indemnification

You agree to indemnify and hold harmless the Licensor and its affiliates from any claims, losses, damages, costs, or expenses (including reasonable attorney's fees) arising from misuse of the Software or violation of this Agreement.

9. Termination

This Agreement remains in effect until terminated. It will terminate automatically if you fail to comply with any part of this Agreement. Upon termination, you must permanently delete all copies of the Software in your possession.

10. Export Restrictions

You agree to comply with all applicable export laws and regulations, including U.S. restrictions.

You may not export or re-export the Software to countries subject to embargo.

11. Governing Law and Jurisdiction

This Agreement shall be governed by the laws of the State of Wyoming, United States, without regard to conflict of laws principles.

Any disputes shall be resolved exclusively in the courts located in Wyoming, United States of America (U.S.A).

12. Entire Agreement

This Agreement constitutes the entire agreement between you and the Licensor regarding the Software and supersedes all prior agreements, written or oral.

13. Severability

If any provision of this Agreement is found to be invalid or unenforceable, the remaining provisions shall remain in full force and effect.

14. Prohibited Activities – Reverse Engineering

You are strictly prohibited from decompiling, disassembling, modifying, translating, or reverse-engineering the Software, or allowing others to do so, unless expressly permitted by law.

This does not apply to open-source software components redistributed under their respective licenses.

15. Final Confirmation

By installing or using the Software, you confirm that you have read, understood, and agreed to be legally bound by this Agreement.

16. Legacy Operating System Warning

The Licensor does not guarantee compatibility or security of the Software on Windows 7 or Windows 8, which are no longer officially supported.

Using the Software on these systems is at your own risk and may result in exposure to malware, performance issues, or unexpected behavior due to lack of security patches and emerging hacker technologies.
